

step by step

Display it, store it, divide it.

furnware®

step by step

Organise your classroom with this colourful, functional and mobile store-it-all.

The Step by Step provides an aesthetic storage and display solution. Flexible and mobile, this multi-purpose unit encourages you to divide up spaces and create nooks in your classroom or admin area.

A mix of colourful panels create a vibrant backdrop to showcase your classroom treasures. Bright tote trays ensure classroom sundries are stored neatly away while the clever double-sided design means students can access classroom resources easily.

features.

- Environmental Choice NZ certified
- mobile on castors (including braked) for easy manoeuvrability
- extended sides for securing items on top
- optimal height to use as a room divider
- choice of six colourful accent panels
